PROFESSIONAL CATERING THROUGHOUT SCOTLAND

## ***WEDDING CATERING***

Your wedding is as important to us as it is to you! It's the most important day of your life and deserves the utmost care and attention which Black Cherry Scotland prides itself on offering. Wedding caterers for Edinburgh, Glasgow, Fife, Grampian and surrounding areas, we have the expertise to provide exquisite food and drink to a range of venues and location.

Our events team are there to help you with every step of your preparation. We will guide you through our inspiring and creative menus and help you plan your event down to the last detail. We like to take the time to get to know you which enables us to understand exactly the type of day you want to create. The best way to do this is to join us for a glass of celebratory Champagne and enjoy the experience of tasting the food in the lead up to the big day.

The process begins with a quotation based on the information provided to us through the initial enquiry. The quote will be tailored to suit individual requirements and will detail a menu suggestion along with a clear breakdown of all additional costs. The next step would be to arrange a meeting, preferably at your venue, which will give us an opportunity to determine access, lay out and venue facilities.

Once you have confirmed the booking. This gives you an opportunity to see and try some of our food, discuss the finer details of your event and to see our standard approved operating premises. As one of the leading event caterers in the region we pride ourselves in giving you as much flexibility and choice as possible to support your special day, along with carefully designed, seasonal menus.
